here's what our customers think!

Top quality and highly cost effective installation service

KNOWLEDGE

E4R are quick, efficient and easy to use. The staff are friendly, helpful and knowledgeable about their products so they have become my first point of call for all consumables.

GREAT SERVICE

Our dedicated account manager gives us a great service and helps to make the buying process simple and efficient - I have even email ordered outside of hours and they always arrive promptly - always a great, efficient, reliable service.

FAST RESPONSE

Just a quick note to congratulate you on the efficiency and professionalism of your team. I often have to order equipment in a hurry and this is where E4R stand out from other equipment supply companies.

EFFICIENT

I bought some equipment from you a few months ago to help with moving my shop ... I would like to say that I was very pleased with the speed and efficiency that my order was dealt with.

FRIENDLY

I spoke to my account manager this afternoon with a long list of questions, all of which she answered in the most helpful and cheerful manner. Fantastic.

PROFESSIONAL SPECIALISTS

Whether you want more information about any equipment we offer, or are not sure how to choose the right product, call one of our specialists who will be able to help you.

CUSTOMER VISITS

Our field sales team can visit you on-site to assess the equipment you use, give practical advice on compatible equipment and discuss contract pricing.

QUOTATION TEAM

As an established large customer our customer development team can negotiate contract pricing, show you new and innovative products, quote you on large or special orders and answer any questions you may have.
